## A MESSAGE FROM THE 2006-COMMITTEE

Dear HARI devotees,

The year has started well with very successful programs that were well attended. Thank you for your support. If we did measurable progress in terms of fund raising activities, like Utsav, and Capital Projects, like establishing the stage last year, this year is one of consolidation, improvement of the office process, and operational aspects of running the temple. We are streamlining the program coordination activities, HARI financial processes by performing all activities at the temple office, and e-mail communication process. We have few challenges ahead, like no priest coverage between March 17 and June 1. Even though we selected the new priest well on time, getting a visa interview in India takes inordinately long time and has resulted in this period of no coverage. We plan to keep the temple open every day, even if for limited time with the help of volunteers. We hope you understand and not hesitate to contact us if you would like to keep the temple open for a special occasion.

Yours in service

**Srini Subramanian**

President, Executive Committee

**Nirmal Joshi**

Chairman, Board of Trustees

*"Religion, like poetry, is not a mere idea but it is an expression. The self-expression of God is in the endless variety of creation; and our attitude toward the Infinite Being must also in its expression have a variety of individuality - ceaseless and unending."*

*"... our daily worship of God is not really the process of gradual acquisition of him, but the daily process of surrendering ourselves, removing all obstacles to union and extending our consciousness of him in devotion and service, in goodness and in love..."*

Rabindranath Tagore
